

Spring 2011

Summer Care?

Spring arrives and we jump right into summer plans! Last year we offered full day-care for the month of July and it was an absolute blast!

This years' summer plans are under way and we want you to be the first to know what is in the works. Although registration has not begun we want to put that bug out into peoples' ears that we are going to have a rockin' summer program!

This summer your children will be in the trusted hands of SunRidge staff, guaranteeing some serious fun! Look for registration deadlines coming soon.

Note to Parents:

Fall registration will be starting soon. To secure your spot you will have to fill out new enrollment packages.

Don't worry, you guys will be the first to know when registration starts!

Up Coming Dates:

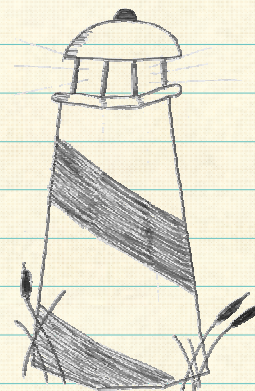

These are some dates your should be aware of:

April 22nd—Good Friday (OOSC Closed)

April 25th—Easter Monday (OOSC Closed)

May 23rd—Victoria Day (OOSC Closed)

June 29th—Last day of School (OOSC Open)

Referral Program:

Families! If you didn't already know, we have a referral program here at SunRidge. How does it work? Easy! If you refer a family to register their child for a minimum of one day per week we will take 20% off your next month's bill.

Requirements:

- You have at least one child in our program
- That your child is enrolled for at least one day per week
- They register for a minimum of one day per week
- They say your name
- That you like discounts!

Lost and Found:

Lose a mitten, a tuque or lunch kit? We have developed a nice collection of missing clothes here! Take a look at the "Take Home Shelf" and see if anything belongs to your child!

Photos!

Pictures can really capture a moment and hold on to a memory for ever! Over the past year we have taken tons of photos of your children: silly faces, Lego creations and lots of dressing up!

I would love to have the opportunity to share these photos with you! Although sometimes your child is not alone in a photo, they are accompanied by their friends. We are looking for parents permission to release these photos to other families.

The idea is that we print off the photos we have taken over the past year and put them in a photo album. Families would be allowed to browse the photos and select the ones that they like. I would then e-mail the selected photos to the families to print off at their convenience.

There will be permission forms made available for families at the center for you to sign. If you do not feel comfortable having your child's photo released

we would like to honor that and those photos will not be made available for other families to receive!

Did I mention we will be doing this for free? Keep your eyes out, photo album coming soon!
