Schedule a volunteer:

IMPORTANT → Please **DO NOT** just schedule volunteers in here without personally asking them **first somehow**. You can reach out to them via text, email, phone, in-person, or through a personal email sent through the planning center platform but it *must* be a personal note. In addition to asking volunteers if they're available, try to regularly:

- Thank them for being on the team and note maybe the unique way they contribute
- Include a reminder of the "why"... why is this job important? How does this job bring people to Jesus?

- Click on the position you want to edit in the left hand column of the associated event.

CONNECT CENTRE

1 Needed  - 1 +

2. A list of possible volunteers will appear on the right side of your screen. Select who you would like to schedule. (If the person is not on the list, see next section)

3. Click *Add* in the top right above the list of names to add this person to the list.

4. The volunteer will appear yellow with a question mark until they have confirmed.

- a. **Manually confirm:** A volunteer can be manually confirmed if confirmation is received via text or other communication.
- b. **Email Confirm:** You can email a volunteer from within Planning Center Services by clicking the mail icon to the right of their name.

If a volunteer has a yellow “?” and it says unsent email, this invitation will not appear as a pending request in their “My Schedule” tab.

5. If the volunteer has confirmed they are able to serve, their name will appear with a green checkmark as shown here.

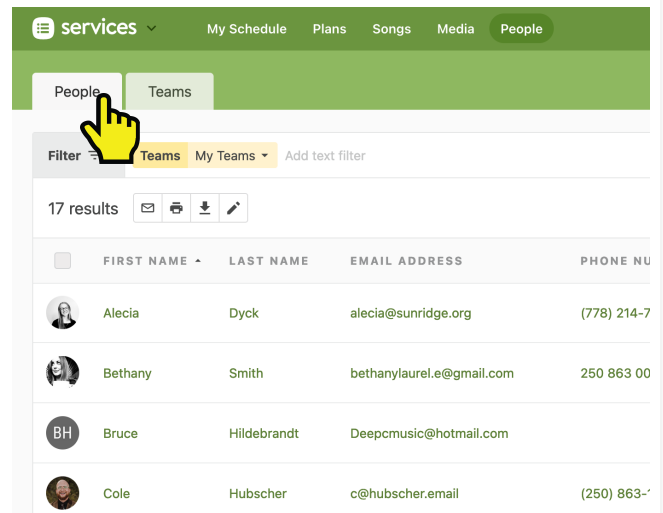

View all volunteers/add a volunteer to a team

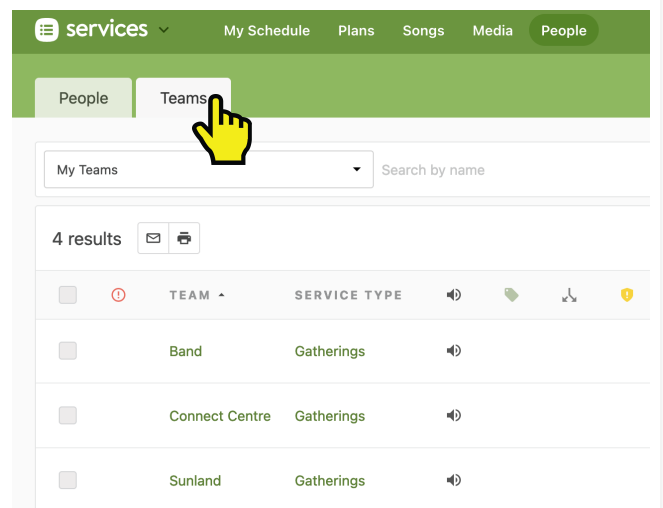

1. Select *People* from the top navigation

2. To view all individuals click *People* on the left of the screen (Note there is a filter option. To view *all* people, clear the filter or select “view all people”)

3. To view volunteers on each team, click *Teams* (Note there is a filter option. To view *all* teams, clear the filter or select “view all teams”)

4. Click on each team to view:
 - a. **List of volunteers**
 - b. **Commitment preference of each person** (probably needs updating)

The screenshot shows the 'Connect Centre' interface with the 'Members' tab selected. On the left, there is a sidebar with a list of teams: 'All Team Members' (3), 'Team Leaders' (2), and 'POSITIONS' (3). Below this is an 'Add position' button. The main content area is titled 'All Team Members' and includes a sub-header 'People added to any position within this team. To add or remove people, first'. Below this is a table with columns for 'FIRST NAME', 'LAST NAME', and 'POSITIONS'. The table lists three members: Alecia Dyck, JoAnn Kuchma, and Kristen Corrigan, all associated with 'Connect Centre'.

5. To add a volunteer to a position, click on the position from the left side of the screen

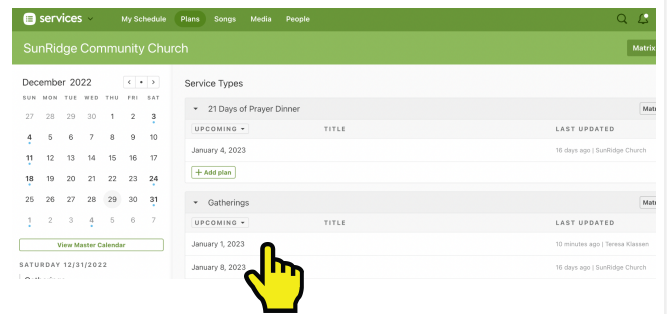

This screenshot is identical to the previous one, but a yellow hand cursor is pointing to the 'Connect Centre' entry in the 'POSITIONS' list on the left sidebar.

6. Select *Add Person*. If you have trouble after this, give Alecia a shout (alecia@sunridge.org) as it's hard to write instructions for all the options hereafter.

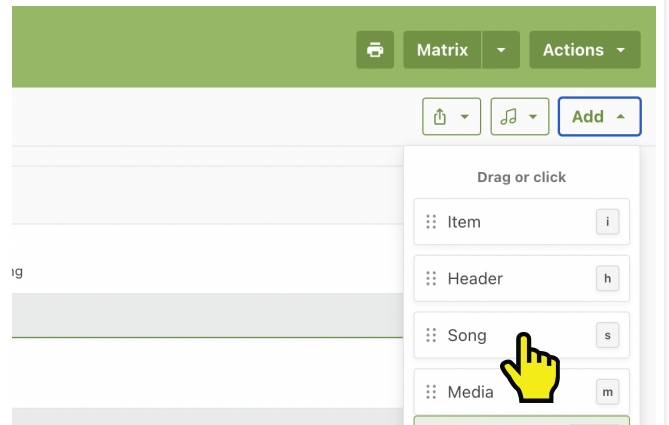

This screenshot shows the 'Connect Centre' interface with the 'Connect Centre' position selected in the sidebar. The main content area is titled 'Connect Centre' with a checkmark icon. Below the title is an 'Add person' button, which is highlighted by a yellow hand cursor. Below the button is a table with columns for 'FIRST NAME', 'LAST NAME', and 'PREFER'. The table lists two members: Alecia Dyck (with preference 'As often') and JoAnn Kuchma (with preference 'As often').

Add song to plan

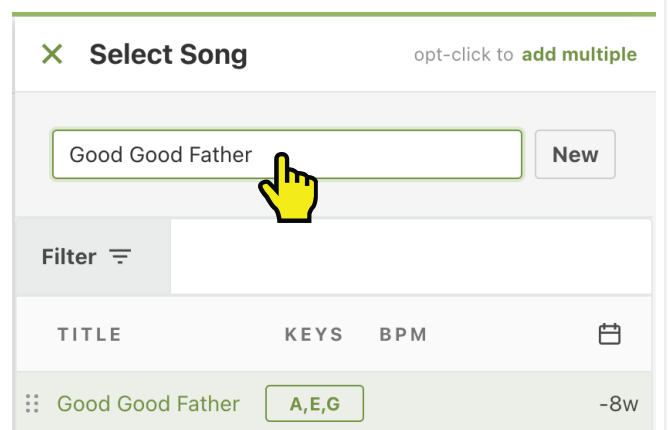

1. Select the date of the plan you'd like to add a song to.

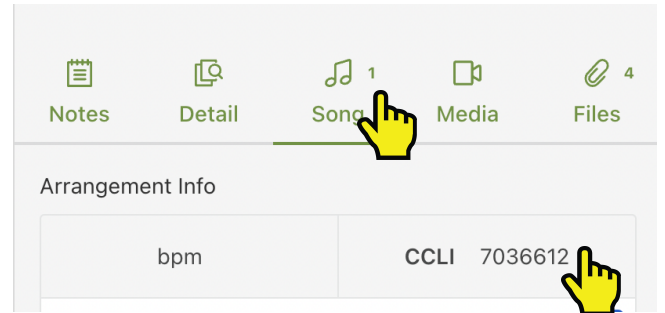

2. Select *Add* and then select *Song* in the dropdown

3. Search the song title. If it appears, click on it. If it does not appear, see step 5

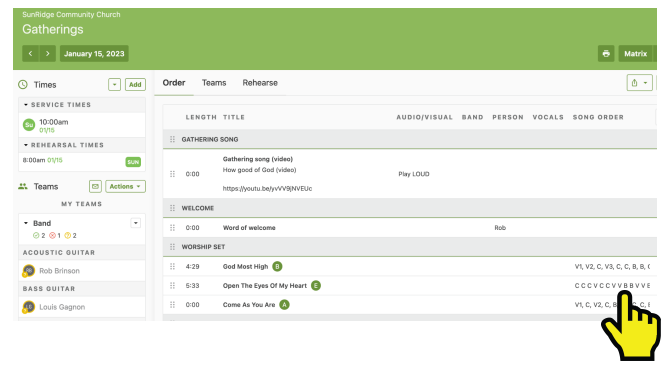

4. Scroll down a bit and select *Song*. To confirm this is the song you want, go to <https://songselect.ccli.com/> and search the CCLI #. To view the song lyrics get login info by emailing info@sunridge.org

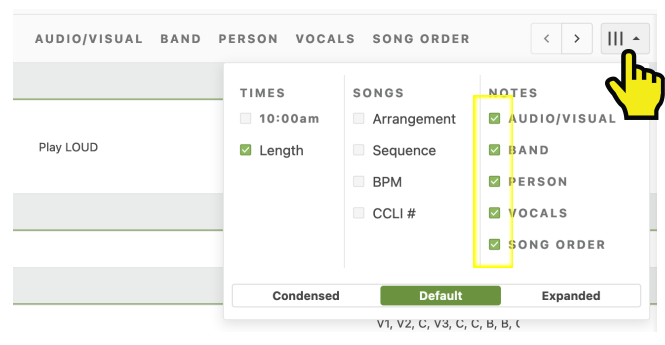

5. If the song does not appear in the list, select *New* and find the song. This database is from <https://songselect.ccli.com/>

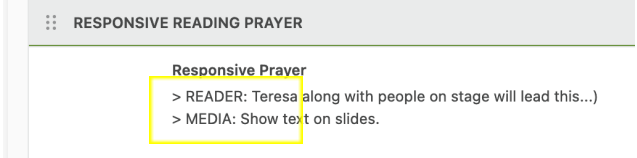

6. Add the verse order you intent to play in the space shown on the flow. Can't view this area? See step 6b.

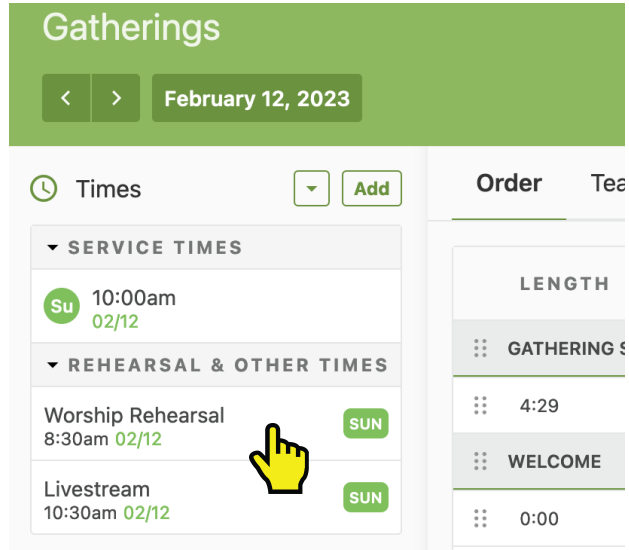

- 6b. To view Verse order and other notes on flowchart, click the "III" icon on the top right and check the boxes as shown

Specify items in plan

<p>1. When typing instructions to specific roles such as sound, media, or other notes, please type the following into the item description at the top of the text:</p> <ul style="list-style-type: none"> a. > READER: b. > SOUND: c. > MEDIA: 	
<p>2. When specifying text should appear on slides add "---" (3 dashes) at the beginning and ending of each section of text you'd like as a slide</p>	<p>---</p> <p>Leaders: Heavenly Father we are so thankful that You .</p> <p>People: You are the God who calls us to move forward</p> <p>---</p>

Notifying People of Schedule

<p>Wondering who will be notified about what time and when? Click on the time item in the left column to view which teams will receive reminder emails and when.</p>
