

Revelation 17-18: Discipleship Urgency Small Group Questions

1. Re-read Revelation 18 and review any notes you took on Sunday
2. Discuss the two lies Mike spoke about:

1st lie – We belong to no one

Read 2 Corinthians 6:19

- Have you ever suffered from this lie in any area/season of your life?
- Have you seen others suffering from this lie?
- What is the strategy behind this lie?

2nd lie v3-6 – Babylon can fulfill your deepest desires

Read Revelation 17:4-6

- What is the pull of “Babylon” (corrupt political/social systems and false religion) — what deep desire does it touch in people? Why is it so convincing?
- Do you struggle to believe this world might have all or much of what it takes to fulfill you? Where or when does this lie mess with you?
- In times of struggle, this lie intensifies — how does it? And why is it effective?

3. Combat the lies! Get practical with how to do this. How are you doing with each one?

1. Guard Your Thoughts (2 Cor 10:5)
2. Develop Accountability (Heb 3:12)
3. View the line of eternity not just the dot of earth (1 Tim 4:1, Rev 17:14)

4. Pray for one another that you would be able to stand firm, resist the lies, and develop strong practices to keep you from falling.
