

Revelation 4-5 & Romans 1 // Why We Worship SMALL GROUP QUESTIONS

Read Rev 4 & 5 aloud in your group

How would you define “worship”?

What stands out to you about worship in these chapters?

What are some reasons to worship that are mentioned here?

Discuss other reasons why you worship - what do you praise God for?

Read Romans 1:18-25

What grabs your attention in these verses?

Vs19-20 - What can we know about God based on creation? What attributes does that show us?

In what ways does the world around us “suppress the truth” about God?

What “exchanges” are made?

Read Romans 1:28-32

When God is not acknowledged, worshipped for who He is, the results are terrible. Why do you think that happens?

How do you see those things play out in society today?

Make it Personal

Which similar attitudes/actions in your life?

What we worship is fairly plain to see. Follow what you put your time, energy, focus, and finances toward - you’ll get a pretty good idea of what is prone to taking God’s place in your life. Discuss what that is for you and others in your group.

How can your group support and encourage you to focus your worship on Christ alone?
